440 MLK BLVD STE 400  
MACON, GA 31220

Appeal Number: 10-15599-E  
Case Style: Ferrell Walker v. USA  
District Court Docket No: 7:09-cv-90060-HL  
Secondary Case Number: 7:07-cr-00030-HL

We have received a copy of the order of the district court declining to issue a certificate of appealability. Rule 22(b) of the Federal Rules of Appellate Procedure provides in part:

If the district court has denied the certificate, the applicant for the writ may then request issuance of the certificate by a circuit judge. If such a request is addressed to the court of appeals, it shall be deemed addressed to the judges thereof and shall be considered by a circuit judge or judges, as the court deems appropriate. If no express request for a certificate is filed, the notice of appeal shall be deemed to constitute a request addressed to the judges of the court of appeals.

The notice of appeal will be treated as a request for a certificate of appealability unless appellant files such a request within fourteen (14) days from the date of this letter.

Sincerely,

JOHN LEY, Clerk of Court
